

English Knowledge Organiser- Magazine article-Year 3 Climate Action

KEY VOCABULARY

Noun	A word which refers to a person, place or a thing.
Expanded noun phrase	Expanded noun phrases add more detail to the noun by adding one or more adjectives.
Adjective	A word which describes a noun.
Conjunction	A word which connects words, phrases or clauses, for example but.
Fronted adverbial	A word or phrase placed at the beginning of a sentence which are used to describe the action that follows.
Time adverbial	A word or phrase which describes when an action takes place, i.e. in the blink of an eye.
Simile	A simile describing one thing by comparing it to another using 'as' or 'like'. For example, minds are like computers.
Rhetorical question	A question asked in order to create a dramatic effect or to make a point rather than to get an answer.
Personification	Describing objects as if they are people is a way of making sentences more exciting. For example, Jess's heart is racing at 100 miles per hour.

About the Book- This is a book about climate change and the actions we can take in preventing it. From its causes and the effects they have on our beautiful planet to the positive changes we can make, young eco enthusiasts will be empowered to help build a better world. Climate Action is a positive guide to the changes, both big and small, that we can make.
